

Former ChlorAlkali Plant Mercury Investigations

Update for CLC

James Stening

15/09/09

Concrete Cutting Trials – mid June 2009

15/09/09
Quarterly CLC Meeting

Next Steps

- Just submitted a remediation work scope
 - foundation for the Voluntary Management Proposal (VMP)
- Prepare and submit VMP
- Engage a consultant to prepare a Remediation Action Plan
- Further sampling of soil to determine the likely extent of the full-scale remediation
